Piccadilly nails hunger

Piccadilly Restaurants donate food to voluntourism celebration

NEW ORLEANS, La., (July 14, 2009) – Piccadilly Restaurants, LLC will feed volunteers from Crossroads Community Church in Cincinnati, OH, while they team up with Habitat for Humanity New Orleans, Franklin Avenue Baptist Church in New Orleans, Operation Back Home and Samaritan’s Purse, to build homes throughout Musicians Village, Central City and the West Bank.

“Piccadilly is honored to be partnering with such wonderful organizations,” said Piccadilly CFO Tom Sandeman. “We are happy to feed the hard-working volunteers, who are helping make a difference in their community, and especially those who have traveled so far to help rebuild our great city of New Orleans.”

Crossroads Community Church will be busing down two sets of volunteers from Cincinnati for a week of service in New Orleans. Volunteers will build from 7:45 a.m. – 4 p.m. each day. The first group of volunteers will work Tuesday, July 14 – Friday, July 17, and the second from Tuesday, July 21 – Friday, July 24. At the end of each week, Fridays, July 17 and 24, Piccadilly will provide food for the volunteers’ celebration dinner.

Piccadilly will feed dinner to approximately 500 volunteers on each of the two Fridays. The celebration dinners will take place at the park located at 2515 Franklin Avenue, next to Franklin Avenue Baptist Church.

In 1995, a group of 11 Cincinnatians felt a need for a great environment to meet with friends and explore questions about God. On March 24, 1996, Crossroads Community Church “went public” in a rented room at Peoples Middle School (now Clark Montessori) in Hyde Park, OH. About 450 people showed up that day, and in the years since, Crossroads has grown

tremendously. The goal was never size; the goal always was, and continues to be, based upon the ideas of authentic community and honest conversation.

Headquartered in Baton Rouge, Louisiana, Piccadilly Restaurants, LLC has been serving Louisiana families since 1944. Currently, Piccadilly operates approximately 120 food service operations with more than 4,500 team members primarily located in the Southeastern United States.
